- 2014 Action Marine

MANUFACTURER PROVIDED DESCRIPTION

This popular model, the Viking Sport Cruisers 70' was introduced in 2005, the generous 18'4" beam creates tremendous interior volume for a yacht this size. The main salon makes excellent use of this wide beam with plentiful seating for family and guests. A bar area separates the salon from the dining area, while the adjacent raised dinette forward offers panoramic views and enjoys plenty of natural lighting thanks to the large forward windshield.

The prominent feature on the lower deck is the full-beam master suite with its walk through dressing area, entertainment system, and spacious en suite head. The lower lobby area houses a laundry center and storage area. Both the VIP stateroom forward and second VIP stateroom to starboard have walkaround queen berths. The Guest Stateroom, Port has been converted to an Office. A two-berth crew quarter with head is aft under the cockpit deck. The flybridge, accessed from the aft deck or salon, includes a wet bar with sink, electric grill, and refrigerator.

PRINCESS YACHTS

HMY Yacht Sales was named the North American Princess Yachts Dealer of the Year in 2021 and has unparalleled knowledge and expertise compared to any other brokerage. Discover the pleasure and privilege of Princess Yachts' ownership with HMY as your partner.
